## REMARKS

In a communication mailed September 7, 2004, claims 1-20 were allowed. The Examiner provided reasons for allowance of the independent claims 1, 7 and 15. The reasons provided were comprehensive and general by listing various claim recitals from the independent claims. Therefore, it is clear from the record that the Examiner's quotation of specific portions of the allowed claims was illustrative and the basis for novelty was not limited to a specific recital.

Respectfully submitted,

A handwritten signature in cursive script that reads "Robert L. King".
